## **Deferred Taxation:** Computation to Disclosure (FRS 112)

Deferred tax can significantly affect the financial results and position of an entity. Deferred tax assets and liabilities are present indications of an entity's exposure to future tax consequences. Therefore, mastering and understanding deferred taxation is an essential skill for accountants, auditors and users of financial statements as the accounting treatments for deferred taxation under FRS 112 are complex.

The Workshop introduces the fundamental accounting principles for future tax consequences in accordance with FRS 112 and provides a

# **WHO SHOULD ATTEND**

step-by-step guidance chart to illustrate the rules in constructing a balance sheet liability computational schedule. You will gain a good understanding of the basic principles as well as working knowledge in the recognition, measurement, presentation and disclosure of deferred taxation.

The Workshop also covers advanced and complex issues in accounting for deferred taxation. It uses specific examples designed to provide practical guidance on how to use spread sheet to prepare working papers to support deferred tax computations.

- Chief finance officers and financial controllers Advisers including bankers, investment
- Finance managers
- Auditors and tax consultants

- analysts, and funds managers
- Management and other strategic consultants
- Others who are interested to understand deferred taxation

## **REGISTRATION**

| Registration Fee: | MICPA Members | RM350.00 |
|-------------------|---------------|----------|
| (per participant) | Others        | RM425.00 |

Staff of MICPA members' firms who are not MICPA members are entitled to the preferential rate of registration fee (RM350.00 per participant) provided the firm registers at least 3 participants for the Workshop.

The registration fee covers documentation, lunches and coffee breaks.

MICPA CPD Hours : 8 Hours MIA CPE Hours : 8 Hours

#### Cancellation:

All cancellations must be notified in writing. An administrative charge of 20% of the registration fee will be levied for cancellations received before the closing date for registration. There will be no refund of the registration fee if cancellation is received after the closing date for registration. However, should a participant be unable to attend, a replacement may be sent. Any difference in fee payment will be charged/refunded accordingly.

#### **Disclaimer:**

The organiser reserves the right to make any amendments to the programme, venue, speaker replacements, topics or cancellation of the event if warranted by circumstances beyond its control.

|                     | <ul> <li>Accounting policies and explanatory notes to income statement and</li> </ul>                                                                          |
|                     | balance sheet                                                                                                                                                  |
|                     | Preparing an explanation of the relationship between tax expenses or                                                                                           |
| 03:30 pm – 04:00 pm | income and accounting profit Coffee Break                                                                                                                      |
| 04:00 pm – 05:00 pm | Illustrative Case Study: Computation using Spread Sheet                                                                                                        |
| 01.00 pm 00.00 pm   | Taxable temporary difference and deferred tax liability                                                                                                        |
|                     | Deductible temporary difference and deferred tax asset                                                                                                         |
| 05:00 pm            | End                                                                                                                                                            |

## **PROFILE OF WORKSHOP LEADER**

DANNY TAN BOON WOOI has over 26 years of working experience in public practice and commerce and industry. He was trained with a firm of Chartered Accountants in London where he worked for over 10 years in the audit and consultancy. He also held the positions of business development and business operation manager with two UK multinational companies based in London for 5 years. He also has 2 years of public practice experience in Malaysia.

Danny is currently the partner of a firm providing financial training and consulting for firms in public practice and industry. He is an experienced speaker in International Financial Reporting Standards. He speaks in financial reporting and financial statements analysis for several professional institutions and public listed companies in Malaysia and overseas. He serves as a project manager in several working groups of the Malaysian Accounting Standard Board.

Danny holds an Honours Degree in Economics (major in finance and investment) from Manchester Metropolitan University (UK), MBA from Heriot-Watt University (UK) and Master in Advance Business Practice from University of South Australia. He is a member of Malaysian Institute of Accountants and a fellow member of Association of Chartered Certified Accountants.
