Circular No.TEC/068/12/2010/W

INLAND REVENUE BOARD

FACILITY TO PAY SCHEDULAR TAX DEDUCTION (STD) ONLINE VIA FINANCIAL PROCESS EXCHANGE (FPX) FOR e-DATA PCB & e-PCB SYSTEMS

Members are informed that the Inland Revenue Board (IRB) has improved the online payment facility of the STD through the FPX for e-Data PCB and e-PCB systems on the IRB's website at www.hasil.gov.my.

Prior to this improvement, the online payment facility of the STD through FPX is only applicable for e-PCB system while the users of the e-Data PCB system are still paying using the cheque instrument at the STD counters (Electronic Media), Level 1 (Left), Block 8A, KL Collection Branch.

The e-Data PCB system is prepared to facilitate employers who have computerised payroll system to check the format and upload the CP39/CP38 text file and make the payment online via FPX.

The e-PCB system is provided as a free facility to employers who do not have a computerised payroll system to calculate and check the STD. The system helps employers to keep the information of their employees, submit the STD payment data and pay online via FPX. By using this system, it could save time for employers to calculate the STD on a monthly basis and ensure that the STD is calculated correctly and accurately.

Should you have any enquiries on the above matter, please contact the IRB's Customer Service Centre at 1-300-88-3010.
