

Communications Pack: Students interested in SSP

The Malaysian Institute Of Certified Public Accountants
(Institut Akauntan Awam Bertauliah Malaysia)

Application Process for SSP

Update your CV

Update our CV with the required information as follows:

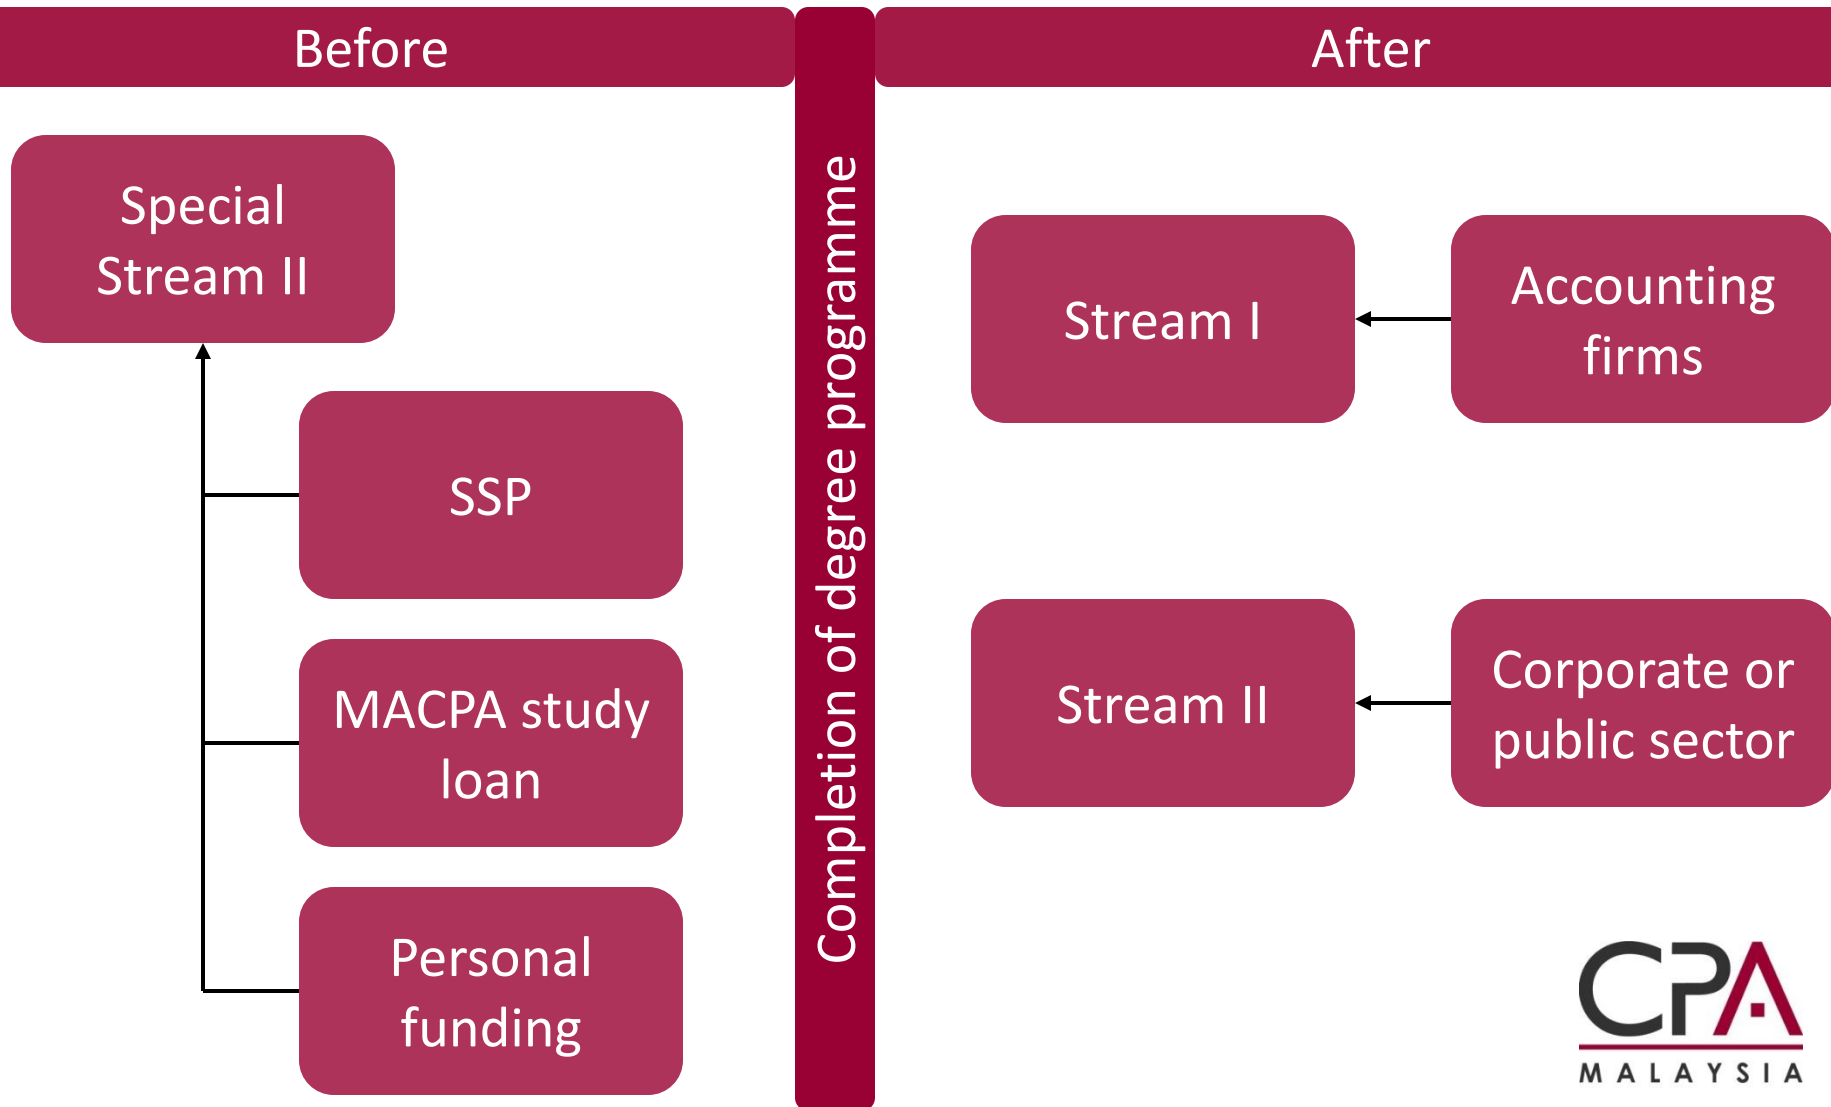

- Current CGPA;
- MUET Band;
- Current Semester (e.g. Year 3, Semester 1);
- Internship Semester (e.g. Year 4, Semester 1 & 2);
- Expected date of internship (e.g. from Feb 2013 to July2013);
- Expected date of completion of degree programme (e.g. July 2013);
- Preferred work locations (e.g. KL/PJ, Penang, Melaka, etc);
- Details of any sponsorship bond for degree programme (e.g. JPA).

Why choose MICPA?

- Dual qualifications and membership of MICPA and ICAA
- Access to GAA Passport (<http://www.globalaccountingalliance.com.au/>)
- The only Malaysian-based professional accountancy body
- Value-added membership support, especially if practising in Malaysia
- MICPA represent members in development of industry guidelines
- MICPA engages in discussions with Malaysian regulators and standard-setters
- MICPA provides technical update on regulatory and business developments
- Malaysian context for Taxation and Business & Company Law paper
- Member networking and CPD events

FAQs

What are the entry routes to pursue the MICPA Programme?

Why does a student choose to do the MICPA Programme before graduation?

- Achieve competitive advantage through SSP
- Statistically better performance in examination compared to working students
- Job market is increasingly competitive especially with recent economic uncertainty: students under SSP obtain a job security guarantee
- Graduates are able to better focus on career development after completion of MICPA Programme
