副財長:強而有力價值定位·董事局多元包容具優勢

(吉隆坡21日訊)財政部副部長拿督阿末馬斯蘭說,在職場上,特別是公司企業的董事局,多元性及包容性是重要的條件,大馬的多元種族與文化社會是我國的優勢,對投資者來說更是強而有力的價值定位。

馬電訊執行董事拿督巴茲蘭(左二)舉起全國企業年報獎(NACRA)總體卓越獎白金獎,右起為佐漢、駱福春及阿末馬斯蘭,左為王瑞珊。(圖:星洲日報)

他昨晚在全國企業年報獎(NACRA)頒獎典禮上致詞時說, NACRA將與大馬人才機構合作,於明年增設“包容性與多元性年報”的新獎項組別。

指國債仍受控

另一方面,他說,有人指大馬的國債很高,但其他國家比我國更高,包括中國(13.9兆令吉)、新加坡(1.023兆令吉)、日本(35.9兆令吉)、德國(8.7兆令吉)、美國(59.6兆令吉)及英國(8.2兆令吉)。

“我國的國債達5千825億令吉,佔國內生產總值(GDP)52至53%;若跟其他國家比較,我國的國債仍在受控制的範圍內。”

全國企業年報獎是由大馬交易所、大馬會計師協會(MIA)及大馬特許公認會計師協會(MICPA)聯辦,馬電訊(TM)今晚橫掃4個獎項,最後捧走總體卓越獎白金獎,成為大贏家。

其他出席者包括大馬交易所證券市場董事王瑞珊、NACRA籌委會主席駱福春、MIA主席拿督佐漢依德利斯及NACRA評審委員會主席翁其良。

TM clinches platinum 'Overall Excellence Award' at NACRA

TM Group chief financial officer Datuk Bazlan Osman (second left) holds up the NACRA 2014 award with (from left) Ong, Ahmad Maslan, Loh, and Kris looking on.

KUCHING: Telekom Malaysia Bhd (TM) continued its winning streak by clinching the Overall Excellence Award at the National Corporate Report Awards 2014 (NACRA) presentation ceremony.

According to a press release, TM, which was also the top winner last year also swept up the highest number of awards in the competition.

The Gold and Silver awards for the Overall Excellence Annual Report went to Malayan Banking Bhd (MBB) and CIMB Group Holdings Bhd (CIMB) respectively.

Meanwhile MBB also racked Industry Excellence Award for Main Board Company in Finance and CIMB won the Best Designed Annual Report (Platinum).

NACRA is jointly organised by Bursa Malaysia Berhad, Malaysia Institute of Accountants (MIA), and The Malaysia Institute of Certified Public Accountants (MICPA). The key objective of NACRA is to promote excellence in corporate reporting, greater transparency and accountability by respective parties in their financial reporting and the awards are to acknowledge and recognise high quality corporate reporting.

Loh Lay Choon, chairperson of NACRA 2014 organising committee, in her welcoming speech said, "NACRA is now identified by stakeholders and market players as a brand synonymous with fair, transparent and comprehensible corporate and financial reporting. NACRA's theme, 'Towards Accountability & Excellence' underscores this and aims to improve on the quality of annual reports recognising that reliable information plays a pivotal role when it comes to stakeholders and market players making informed and sound investments choices."

She said that winning a NACRA award accentuates an organisation's corporate standing among other organisations and contributes to the strength of its brand.

"We have seen progressive changes in recent times with regards to corporate reporting driven by a growing consensus amongst the business community, investors and other stakeholders that corporate reporting that focuses purely on historical financial information is not telling the whole story.

"One such change is the launch of the Integrated Reporting Framework last year which involves concise communication about how an organisation's strategy, governance, performance and prospects in the context of its external environment leads to the creation of value in the short, medium and long term.

"Through NACRA, we hope to ease the path for all Malaysian organisations to fully-adopt the principles of the Integrated Reporting Framework recognising this is an area of emerging best practice," she added

Loh also announced that next year, NACRA in partnership with TalentCorp will introduce a new award category for 'Inclusiveness & Diversity Reporting'. This is in line with Bursa's requirement for public listed companies to disclose diversity policies covering gender, ethnicity and age for board and workforce in Annual Reports issued on or after January 2, 2015.

Stephen KL Oong, chairman of NACRA 2014 Adjudication Committee, said, "Adjudicators not only look for Annual Reports that comply with regulatory requirements and standards. But also be written, presented, designed and packaged in such a way that communicates clearly and precisely the company's underlying performance, how it creates value for its shareholders, how it discharges its social responsibilities, and how it planned to enhance shareholders' value in the coming year. These attributes are what a good annual report should have, and are what the adjudicators look for".

NACRA is open to all companies incorporated or registered in Malaysia as well as the public sector and other organisations established in Malaysia.

Also present during the event were Deputy Finance Minister Datuk Ahmad Maslan, Bursa Malaysia Securities Market director Ong Li Lee, and MIA president Datuk Johan Idris.
