**MICPA PROFESSIONAL STAGE EXAMINATION
ACCOUNTING STANDARDS**

The Institute's Examination Regulations and Syllabus state that:

- (a) Questions involving knowledge of accounting and auditing should be answered in accordance with the requirements of approved accounting standards and the relevant legislation;
- (b) Questions involving knowledge of new approved accounting standards and exposure drafts will not be set until at least 6 months have elapsed since the last day of the month in which the statement became effective or was published.

The list of accounting standards and other technical pronouncements, which are currently examinable in the Institute's Professional Stage examination, are set out below.

I. Approved Accounting Standards

The Companies Act 1965 requires that approved accounting standards are to be applied to the financial statements of all companies. Approved accounting standards are issued by the Malaysian Accounting Standards Board (MASB), which is established under the Financial Reporting Act 1997.

For the purposes of the MICPA examination, the following accounting pronouncements are examinable:

- (i) MASB approved accounting standards and other pronouncements issued by MASB;
- (ii) Malaysian Accounting Standards (MAS) issued by MICPA, which have not been replaced by MASB approved accounting standards;
- (iii) Technical Bulletins (TB) issued by MICPA, which are to be regarded as the best current practice in the area in question.

The MASB has issued four sets of accounting standards as follows:

(a) Malaysian Financial Reporting Standards (MFRS)

These standards are mandatory for all entities other than private entities for annual periods beginning on or after January 1, 2012, with the exception of entities subject to the application of MFRS 141, *Agriculture*, and/or IC Interpretation 15, *Agreements for the Construction of Real Estate*. Public listed companies, their subsidiaries, associates, or companies jointly controlled by them are required to comply with MFRS in the preparation of their financial statements.

(b) Financial Reporting Standards (FRS)

These standards may be applied by Transitioning Entities that are within the scope of MFRS 141 and/or IC Interpretation 15 for annual periods beginning on or after January 1, 2015, including a parent, significant investor and venture of such entities. These entities will be required to comply with MFRS for annual periods beginning on or after January 1, 2017.

(c) Private Entity Reporting Standards (PERS)

These standards are applicable to private entities. A private entity is a private company incorporated under the Companies Act, 1965 that:

- is not itself required to prepare or lodge any financial statements under any law administered by the Securities Commission or Bank Negara Malaysia; and
- is not a subsidiary or associate of, or jointly controlled by, an entity which is required to prepare or lodge any financial statements under any law administered by the Securities Commission or Bank Negara Malaysia.

Essentially, PERS are MASB Standards issued by the MASB prior to January 1, 2005.

(d) Malaysian Private Entities Reporting Standard (MPERS)

The Malaysian Private Entities Reporting Standard (MPERS) is word-for-word the IFRS for SMEs issued by IASB's International Financial Reporting Standard in July 2009.

Private Entities currently applying PERS will adopt the MPERS for annual periods beginning on or after 1 January 2016 and Private Entities currently applying the FRS Framework will adopt either the MFRS Framework or the MPERS for annual periods beginning on or after 1 January 2017. Early adoption of the MPERS is permitted.

The MASB also issued Technical Releases and Statements of Principles.

The list of approved accounting standards and other pronouncements examinable in the Term 2, 2015 examination are set out in Annexure I.
