Begin a Journey of Global Opportunities

The Malaysian Institute of Certified Public Accountants (MICPA) has just implemented its new examination structure for the revised MICPA Programme.

New students who register for the revised MICPA Programme will follow an almost identical course of study to their counterparts completing the Chartered Accountants Program in Australia.

New entrants to the MICPA Programme will be required to undertake common examinations which comprise four technical modules and one final module as follows:

Technical Modules

- Financial Accounting & Reporting
- Management Accounting & Analysis
- Audit & Assurance
- Taxation

Final Module

- Ethics & Business Application

A unique feature of the revised MICPA Programme is the Taxation Module, reflecting Malaysian taxation regulations and providing greater relevance for accountants working in Malaysia.

Benefits

- Dual Membership – CPA Malaysia & CA Australia
- Qualification with Recognition
- World Class Quality and Global Opportunities

Becoming a CPA distinguishes you as the confident

Number 1

Business Professional
