INTRODUCTION

The directors must now update themselves regularly as their roles are now laden with risk. Their actions are closely monitored and scrutinized by the relevant authorities. Directors are ultimately responsible for all the penalties that are imposed by the regulators such as Bursa Malaysia, Suruhanjaya Syarikat Malaysia, Securities Commission, etc. It is the responsibility of the directors to avoid reputational risk and ensure that investors view their companies positively.

The directors/company secretaries must be familiar with the meeting rules at board meetings, members meeting and Annual General Meetings so that meetings can be conducted in accordance with the Companies Act 2016. With the emergence of virtual and hybrid meetings since Covid 19, the directors/company secretaries must also ensure that they are well equip to handle such changes on mode of meetings.
