INTRODUCTION

The Corporate Governance Strategic Priorities 2021 – 2023 was launched by the Securities Commission (SC) on 24 November 2021, as part of SC's Capital Market Masterplan 3 initiatives launched in September 2021.

Under Strategic Priority 2, entities are expected to strengthen the Environmental, Social and Governance (ESG) Fitness of Boards.

Stakeholders are keen to know what the entities concerned have planned for and actions undertaken to address the risk and opportunities related to the topic of ESG. Towards this end, this training shall cover the following:

- Appreciation of ESG related risks and opportunities
- Discussions on ESG reporting requirements (financial and non-financial)
- Reporting ESG effects and the accounting considerations

SEMINAR OBJECTIVE

In this session, participants will:

- Explain what is sustainability and ESG
- Understand the recent developments in respect of ESG and sustainability reporting
- Understand ESG related risks and opportunities
- Review the financial and non-financial reporting disclosures to be made
- Explain the various best practices of reporting the ESG matters in financial reports
