INTRODUCTION

The Malaysian Private Entities Reporting Standard (MPERS) was effective January 1st, 2016. Only entities that meet the definition of private entities are eligible to apply MPERS.

MPERS is word for word IFRS for SMEs. In September 2022 IASB issued the Third Edition of the IFRS for SMEs Accounting Standard. The proposed amendments will be based on full IFRS Accounting Standards with modifications to reflect the needs of users of SMEs' financial statements.

WEBINAR OBJECTIVE

The speaker will approach this session to better understand the application of MPERS based on the measurement principles and illustrative examples.
