INTRODUCTION

The most common offences committed by directors is the non adherence to the yearly submission of annual returns and financial statements of the companies. Therefore, directors need to be aware of such compliance issues under the Companies Act 2016.

The directors / company secretaries must be familiar with the meeting rules at board meetings, members meeting and Annual General Meetings so that meetings can be conducted in accordance with the Companies Act 2016. With the emergence of virtual and hybrid meetings since Covid 19, the directors/company secretaries must also ensure that they are well equip to handle such changes on mode of meetings.

This Webinar will attempt to address the cause of non compliance of the Act on yearly compliance issues of companies and conducting virtual and hybrid meetings for the companies.
