# MICPA x CA ANZ QUALIFYING PROGRAMME ADVANCED STAGE EXAMINATION

\* The MICPA x CA ANZ Qualifying Programme is awarded by MICPA. Completion of the MICPA x CA ANZ Qualifying Programme can lead to eligibility for CA ANZ membership if requirements are met

# Why MICPA?

---

Established as the only Malaysian professional accountancy body since 1958, The Malaysian Institute of Certified Public Accountants (MICPA) has been developing professional accountants in Malaysia through its professional examinations since 1963, & has been a founding member of the International Federation of Accountants (IFAC) since 1977. Since its inception, MICPA has played a key role in the setting of accounting standards & technical advisory for the Malaysian regulatory bodies responsible for carving out the business and financial landscape of this nation.

In 2009, MICPA entered into an agreement with Chartered Accountants Australia & New Zealand (CA ANZ), then known as the Institute of Chartered Accountants Australia, to offer a joint Programme which leads to 2 professional qualifications awarded by both bodies, & access to the Global Accounting Alliance (GAA). Graduates of the MICPA x CA ANZ Qualifying Programme will be entitled to apply for memberships with MICPA & CA ANZ upon fulfilling all requirements & can subsequently carry the titles – *Certified Public Accountant (Malaysia)* & *Chartered Accountant (ANZ)*.

As a MICPA member, you will be kept up-to-date on the standards, statutes, laws & other regulatory requirements, as well as any international implications that matter to businesses & your clients operating in Malaysia. Outside of Malaysia, you would require the same level of local technical support in the country you are in, & that's where CA ANZ comes in for Australia & New Zealand, & the GAA for 10 other countries across the globe.

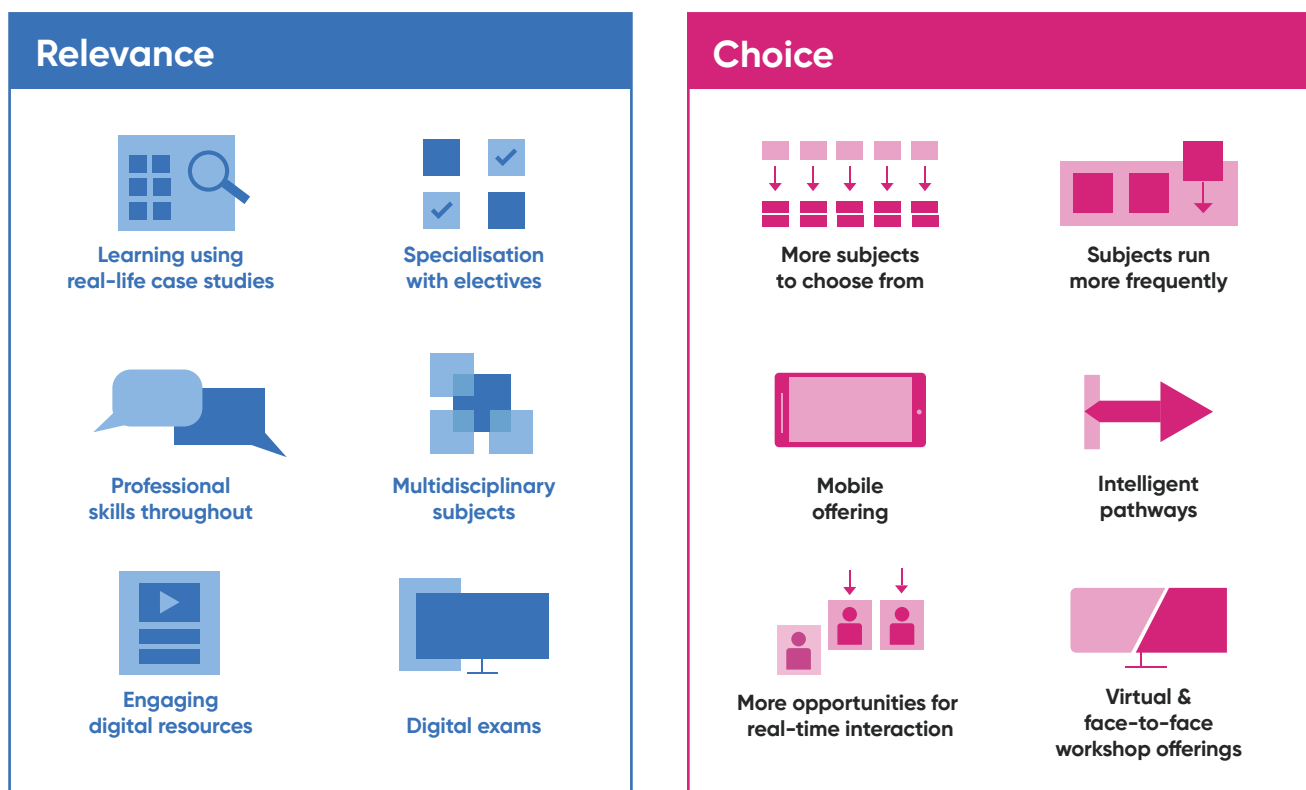

- **Dual qualification – CPA(M) & CA(ANZ)**
- **Global recognition**
- **Access to the Global Accounting Alliance (GAA)**
- **Strong technical support & representation locally & globally**
- **Access to MIA membership**

## The MICPA x CA ANZ Qualifying Programme – Advanced Stage Examination (ASE)

---

MICPA is renowned for its rigorous professional programme that has developed many reputable luminaries in industry over the decades. The ASE jointly offered with CA ANZ is known to be a holistic one that doesn't just focus on technical knowledge, but also in developing well-rounded professionals with strong analytical, critical thinking & problem-solving skills, as well as heightened soft skills brought out through group work & team presentations. This makes our Programme truly unique by incorporating all these elements, & developing professionals who are highly sought-after by employers & well-received in industry.

In keeping up with the times, we were pleased to launch the MICPA x CA ANZ Qualifying Programme (ASE) in 2022 which includes the addition of technology-based subjects into the Programme, & showcases a revolutionary method of delivering content through fully coursework-based modules & minimal invigilated examinations – aimed to ensure a deeper understanding of key concepts & theories underpinning an accountant’s work.

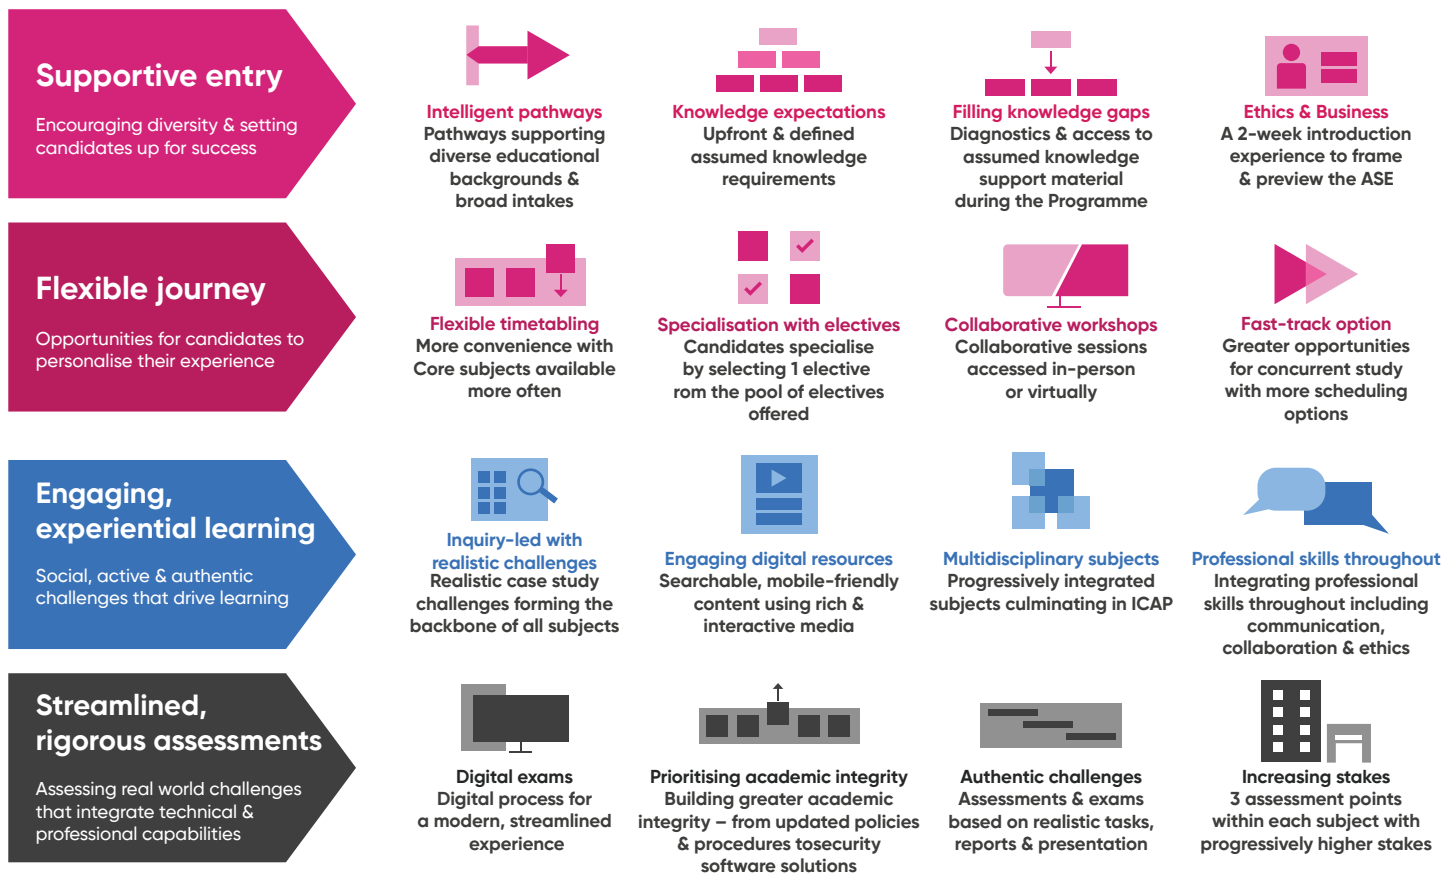

## The MICPA x CA ANZ Qualifying Programme provides:

- Greater learning flexibility allowing candidates to balance work & study efficiently.
- More impactful learning through a blend of digital & face-to-face options.
- Rigorous & authentic assessments based on real-world scenarios that integrate technical & professional capabilities.
- Computational thinking helps candidates understand the relevance of technologies & making use of digital platforms & tools used to analyse complex financial models.

## For employers, the revised Programme is designed to provide:

- Learning flexibility & a staggered exam timetable that reduces resourcing strains on firms during peak periods.
- Targeted content that creates better trained graduates & reduced training costs.
- Learner support that improves the employee experience & boosts retention.

## Requirements for the MICPA x CA ANZ Qualifying Programme - ASE

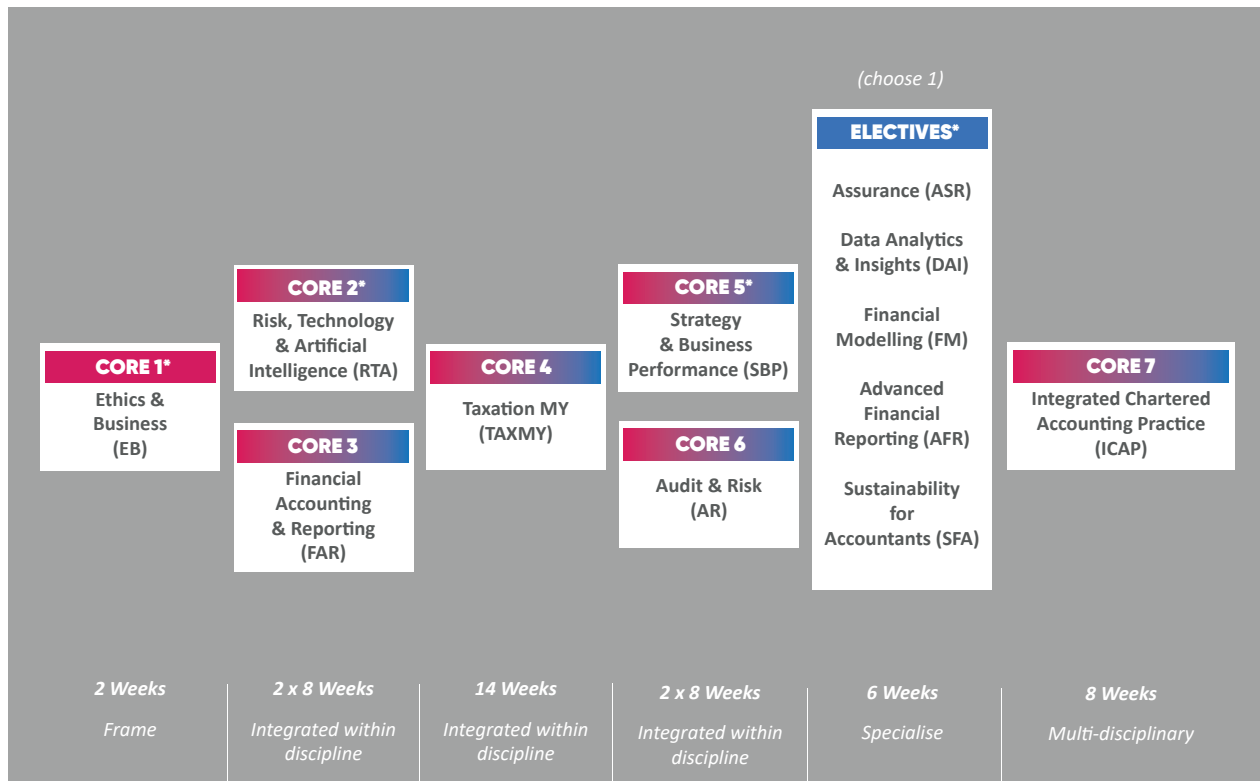

<b>Admission into the ASE</b>	<p>Candidates must have taken one of these routes:</p> <ul style="list-style-type: none"> <li>• Possess a Degree in Accounting or other disciplines accredited by MICPA or CA ANZ</li> <li>• Completed the Professional Stage Examination (PSE) (Accredited Diploma in Accounting holders)</li> <li>• Completed the MICPA Conversion Programme (MCP) (Non-accounting degree holders)</li> </ul>
<b>Practical Experience</b>	<p>Candidates must fulfil 3 years of mentored practical experience with an Approved Training Employer (ATE) in a relevant field of work.</p>

Candidates who complete the MICPA x CA ANZ Qualifying Programme but have yet to fulfil the practical experience requirement are eligible to apply to become a Provisional Member of MICPA.

Upon fulfilling both requirements above, candidates may apply for full membership of MICPA & CA ANZ bearing the titles CPA(M) & CA(ANZ).

## The Programme Structure

The MICPA x CA ANZ Qualifying Programme offers a balanced curriculum between technical & professional capabilities, as well as the introduction of future priorities for the accounting profession. It allows for greater specialisation through elective content, & hours have been adjusted for personalised, & impactful learning.

## When & How to Register

As there are 4 terms offered each year, candidates have the flexibility to decide which term they wish to enrol for their subjects.

The Programme timetable can be found on the Institute's website under "Scheduling" & the enrolment open & close dates of the first subject to be taken, i.e. Ethics & Business (EB) should be taken note of to ensure sufficient time to first register as a MICPA candidate. Once registered, candidates may enrol for the subjects.

As part of the registration process, Student Affairs will review the candidate's academic transcript to ensure that prerequisite subjects have been completed & that they hold an accredited qualification.
