## INTRODUCTION

The Malaysian government has implemented e-invoicing for taxpayers with an annual turnover of more than RM100 million on 1 August 2024; for taxpayers with turnover of more than RM25 million until RM100 million from 1 January 2025. Phase 3 involves taxpayers with turnover of more than RM5 million to RM25 million and will implement in July 2025. Taxpayers with an annual turnover or revenue of up to RM5 million will start from 1 January 2026.

Taxpayers with an annual turnover or revenue of less than RM1 million are exempted from issuing e-invoices.

To ensure the smooth implementation of e-Invoicing, the government has agreed to provide a relaxation period for taxpayers for twelve (12) months from January 1st, 2026 to issue consolidated e-Invoices for all transactions. This course will help the participants gain a good understanding of the e-invoicing system, the guidelines on e-invoicing and the processes involved in e-invoicing.
